

Experience Living *The Idaho Way*

Pocatello, Idaho

Founded in 1889, Pocatello has been recognized by *Forbes.com* as a **"Best Small Place for Business"** five years in a row, as well as ranked one of the **"Top Ten Small Places to Move and Raise a Family"** according to the *Primary Relocation and World ERC*.

For nearly a century, Pocatello has been the home of Idaho State University (ISU) providing both rich educational and cultural opportunities for the entire region.

It is also a bedroom community for many employees associated with the nearby Idaho National Laboratory (INL); one of eleven U.S. Department of Energy facilities nationwide, as well as home to many other small high-technology companies.

Climate Information

Pocatello has a desirable four-season climate where clear, sunny, and dry is the norm. Less than 15 inches of precipitation falls annually. Summers are dry and warm with the average temperature at 92.4°. The average daily temperature during the winter months is 35.4°.

Cost of Living

The cost of living in Pocatello is 13% below the national average – \$48,612 for average household married with one child and \$73,965 for household married with two children – as reported by *careertrends.com*. A median-priced home in Pocatello proper is less than \$132,500, 25% below the national average based on *areavibes.com*. Conservative new builds average approximately \$180,000 – \$220,000.

Area Activities and Cultural Resources

Our community offers a wide variety of theater, dance, opera, jazz, and a vast selection of musical concerts; The city has 32 parks, a Museum of Natural History, the Fort Hall Replica, golf courses, swimming complex, bike and hiking trails, rock climbing, skate park, Pebble Creek Ski Resort, Zoo Idaho, the Portneuf Wellness Complex, and the Stephens

Performing Art Center among other family friendly recreational activities and cultural sites. More adventure can be discovered within a short driving distance of Pocatello in Sun Valley, Salt Lake City, Yellowstone National Park, and Jackson Hole.

Interesting Facts *About Portneuf Medical Center*

Portneuf Medical Center is a regional Level II trauma center with state-of-the-art cardiology and neurosurgery programs. We earned a five-star ranking in three cardiology and cardiac surgery programs. The Portneuf Cancer Center provides radiation and medical oncology services and has received commendations for clinical trial accrual, cancer registrar education, nursing care and data submission. Portneuf was designated a Blue Center of Distinction by Blue Cross for knee and hip replacement and spine surgery. Our Wound Care and Hyperbaric Center is ranked in the top 15% nationally for five consecutive years. Our urology program is nationally recognized and we have a Level II neonatal intensive care unit.

More importantly, however, we are concerned about what happens beyond our doors and how we can partner with our community. The Pocatello Sports Medicine Institute cares for our local athletes both on and off the field; Portneuf Quality Alliance, an innovative health care team, works with employers to manage and control the costs of healthcare; and our partner, Portneuf Health Trust, was visionary in establishing the Portneuf Wellness Complex. Together, Portneuf Health Partners continue to find new and meaningful ways to extend our reach and improve the health and quality of life for all those in our community.

Portneuf Medical Center is an acute care facility that has served the health care needs of Eastern Idaho since 1907 and employs over 1,100 people. Portneuf Medical Center is accredited by The Joint Commission and licensed by the State Department of Health and Welfare. Our services include:
